#### **§ 1703.128 Submission of applications.**

(a) Applications for grants shall be submitted to the RUS, U.S. Department of Agriculture, 1400 Independence Avenue, SW., STOP 1590, Washington, DC 20250-1590. Applications should be marked "Attention: Assistant Administrator, Telecommunications Program".

(b) Applications must be submitted to RUS postmarked not later than the application filing deadline established by the Administrator if the applications are to be considered during the period for which the application was submitted. The deadline for submission of applications each fiscal year will be published, and provided through other notices, by RUS in the FEDERAL REGISTER, at least 30 days before the deadline occurs. It is suggested that applications be submitted prior to the re-

spective deadline to ensure they can be reviewed and considered complete by the deadline. RUS will review each application for completeness in accordance with § 1703.125, and notify the applicant, within 15 working days of the receipt of the application, of the results of this review, citing any information that is incomplete. To be considered for a grant, the applicant must submit the information to complete the application within 15 working days of the date of RUS' written response. If the applicant has submitted an application prior to the application filing deadline, the applicant will have 15 working days from RUS' response or until the application filing deadline to submit information, whichever provides the applicant more time. If the applicant fails to submit such information by the appropriate deadline, the application will be considered during the next established application period.

(c) All applicants must submit an original and two copies of a completed application. Applicants must also submit a copy of the application to the State government point of contact, if one has been designated for the State, at the same time it submits an application to RUS. All applications must include the information required by § 1703.125.

#### **§ 1703.129 Appeals.**

All qualifying applications under this subpart will be scored based on the criteria contained in § 1703.126. Awards will be made by RUS based on the highest ranking applications and the amount of financial assistance available for grants. All applicants will be notified in writing of the score each application receives, and included in this notification will be a tentative minimum required score to receive financial assistance. If the score received by the applicant could result in the denial of its application, or if its score, while apparently sufficient to qualify for financial assistance, may be surpassed by the score awarded to a competing application after appeal, that applicant may appeal its numerical scoring. Any appeal must be based on inaccurate scoring of the application by RUS and no new information or data that was not included in the original application
